

Claus Stadel Petersen

Postal address: Samsøgade 19, 3. mf. - 9000 Aalborg - Denmark

Email: claus@webstadel.dk - Phone: +45 22 51 70 12 - Website: <http://webstadel.dk>

Objective

I am a Danish M.Sc. student striving to design highly enjoyable and usable software applications, which people will love to use every day. Therefore I am pursuing an internship within the fields of interaction design and user experience.

Education

2009-present **Master of Science Student in Engineering Psychology**, Aalborg University, Denmark.

- Project example: Design of emotive animations for supporting desktop notifications.
- Course examples: Psychophysical Methods and Scaling, Scientific Methods and Communication, and Applied Experimental Psychology.
- Graduation expected summer of 2011.

2006-2009 **Bachelor of Science in Engineering Psychology**, Aalborg University, Denmark.

- Project examples: Design of touchless user interfaces and design of user guidance in multilevel car parks.
- Course examples: Interaction Design, Experimental and Test Design, Statistical Analysis, Object Oriented Programming, Cognitive Psychology, and Human Perception.

2002-2005 **Higher Technical Examination Program**, Struer Erhvervsskole (Technical college), Struer, Denmark.

Work and volunteer experience

2008-present **Aalborg University**, Aalborg, Denmark.

- Student worker in careers guidance for Engineering Psychology.
- Responsible for organizing Open House event and 3-day introductory events for high school students.

2008-present **Aalborg University**, Aalborg, Denmark.

- Elected Student representative at the Study-board for Electronics and Information Technology.
- Deputy Chairman of the Study-board from January 2010.

2007 **Bang & Olufsen Operations A/S**, Struer, Denmark.

- Warehouse operative during summer break.
- Achieved valuable understanding of working in a large and adaptable organization.
- Gained experience in operating extensive business management software applications.

2006 **American Conservation Experience**, Flagstaff, AZ, United States.

- Voluntary work.
- Maintained hiking trails in American national parks and forests, including Grand Canyon National Park.
- Experienced American culture by living and traveling in the United States for two and a half months.
- Gained intercultural experience from working and interacting with volunteers from all over the world.

2005-2006 **Bang & Olufsen Operations A/S**, Struer, Denmark.

- Assembled high-end consumer electronics. Mainly new products ready for market launch.
- Responsible for assuring extraordinary quality in each and every copy of the final product.
- Co-operated with engineers, quality assurance managers, production managers, and other colleagues.

2003-2004 **Qvista I/S**, Struer, Denmark.

- Managed my own business along with two fellow students.
- Developed web solutions as part of entrepreneurship challenge Young Enterprise.
- Achieved highly valuable knowledge of the effort required when starting one's own business.

About me

Whenever off my studies I enjoy listening to music, going to concerts, and hanging out with friends and family. I am a volunteer in the music division of the Student House in my hometown. Furthermore, I am chairman of a local recreational association, which I co-founded with a fellow student. Since our foundation we have grown to about 35 members.

Skills & other qualifications

Languages Proficient in English. Native Danish.

IT Daily user of Mac OS X, Apple iWork and iLife. Experience in Microsoft Windows and Microsoft Office. Experience in JAVA SE, C, HTML, CSS, PHP, MySQL, and in Adobe Photoshop, InDesign, and Flash.
